

Indestructible time capsule

Make sure your confessions are safely stored and inaccessible until a future date

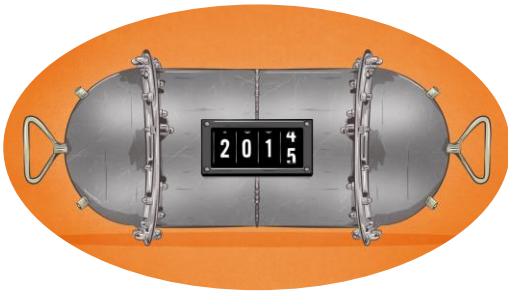

What?

Time capsule??

Materials gathered by a person or a group to serve as a reminder and to be opened at a later date

Our solution

- Time-locked

- Indestructible

- Personal

Meet Gina

- Gina worked on a top secret project for the government which could have a significant commercial application
- However, she's unable to use it for another 2 years

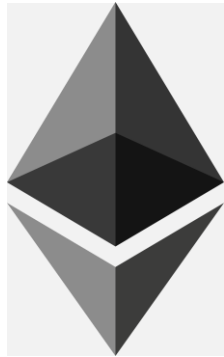

Optimized procedure

- Document the procedure
- Put it in a indestructible time capsule
- Company X will be able to access it after the time-lock expires
